It would have come from "UIC" – as a Task. Can you check again before I email Sarah and Omar? It would have come to you about 4:30/4:45 yesterday.

Thanks
D

Importance: High

Adele – have you received notice to review an OST letter on Dewey Burdock? Sarah thought it went to you yesterday. I need to get it to Greg as soon as possible today, so let me know if there is any problem in getting it reviewed and routed to me.

Thanks!
D
